FEED YOUR TIME
STARVE YOUR DISTRACTION

God's Plan for Giving – 1 Corinthians 16:1-4

All of God's commands have good purpose, and that is certainly true when He tells us to give. It is one way He teaches His children to live as Christ did. Jesus was a giver. In addition to generously feeding the multitudes, healing the sick, and offering truth to everyone who would listen, He ultimately gave up His life on the cross to save all who would believe in Him.

In his first letter to the Corinthians, the apostle Paul wrote, "On the first day of every week each one of you is to put aside and save, as he may prosper, so that no collections be made when I come" (1 Corinthians 16:2). This scripture contains two guidelines that can help us become the generous people God wants us to be.

1. Giving is a component of worship. When we gather together each Sunday, we have the privilege of giving back to the Lord part of what He has provided. In doing so, we are reminded of our dependence upon Him and His faithfulness to us. This practice is a way of recognizing God's kindness, expressing our gratitude, and showing Him honor.

2. Giving is best done systematically. If we don't purposefully plan to reserve a portion for the Lord, it will probably be spent on other things. Immediately setting a portion aside is a better way to honor our heavenly Father than waiting and giving Him leftovers.

Considering the greatness of our salvation and the continual blessings God showers on us each day, we should delight in being openhanded givers. Generosity shows we're following in Christ's footsteps and demonstrating trust for Him in a very practical way.

CALENDAR OF EVENTS

October 13 3pm Annual Pastor's Aid Program. Rev. L. McCowin & Mt. Moriah BC – special guests.

October 20 230pm Pastor Boone & NHMBC are the special guests of New Zion BC for 157th Church Anniversary

October 21 2019 Race for the Cure

October-National Breast Cancer Awareness Month

Breast cancer is one of the most common kinds of cancer in women. The good news is that most women can survive breast cancer if it's found and treated early. A mammogram – the screening test for breast cancer – can help find breast cancer early when it's easier to treat.

National Breast Cancer Awareness Month is a chance to raise awareness about the importance of finding breast cancer early. Make a difference! Spread the word about mammograms, and encourage communities, organizations, families and individuals to get involved.

From the Desk of Your Pastor

Let's Get Busy

Dear Members,

As I shared with you that our church is about to embark upon a physical and spiritual growth shift. Physically, we had 11 to join the ministry and spiritually, I can see growth with Lady Boone teaching over the next few weeks concerning “What is Your Foundational Gift?” She shared with us that if you do not know what your foundational gift is then you are all over the place and will begin to hate on those who are operating in theirs. Wow!

We cancelled our September 21, 2019 Business Meeting but will reschedule and have it very soon, along with our 2020 calendar and partial budget.

I want to thank Choir President, Barbara Randolph and the choir for a very spirit filled and successful musical and their continual support, along with the usher ministry and the entire ministry for following us as we have been ministering at other churches.

2020 = Vision/Clarity

Dear Pastor,

It is our, the members of New Hope, sincerest prayer that God will continue to bless you spiritually, physically and emotionally, so that you can and will:

1. Continue to feed us the Word of God.
2. Equip us to do God's work, so that we can continually build up the church, the Body of Christ.

We are thankful and appreciative of our gift, our Pastor.

WE LOVE YOU, PASTOR BOONE
The Members of New Hope Missionary Baptist Church
